Are you looking for an opportunity to play singles, doubles and mixed doubles in a quirky, fun league format this Fall? Enjoy indoor league play from September thru December 2009. World TeamTennis is a great opportunity for 3.0, 3.5, 4.0 and 4.5 players to continue competitive play throughout the year. Matches are two hours in length on Sunday afternoons. Team matches must consist of minimum two men and two women per team, but six to eight team players are recommended. Every match consists of a set of men's doubles, women's doubles, men's singles, women's singles and two mixed doubles sets. The team winning the greatest number of games in all 6 sets wins the match.

Quirky rules—RULE! Substitutions, coaching, overtime, supertiebreakers and playing let serves are all part of each World TeamTennis match. There will be a WTT fee of \$48 per team match for this fall session - so with 4 players that's \$12 per player per match. The WTT league registration fee is \$15 per player and is good through the Winter 2010 season. All matches will be played at the Indianapolis Tennis Center. Team and individual registration begins on July 29th online at www.wtt.com or call Michael Vidaurrazaga for more information @ 317-278-2103. Hope to see you playing WTT!
